

COTTEY COLLEGE

POLICIES AND PROCEDURES

When Virginia Alice Cottey signed over the ownership of Cottey College to the P.E.O. Sisterhood in 1927, she noted that the aims and goals of Cottey were similar to those of the Sisterhood.

Cottey's mission statement reads: "Cottey College, an independent liberal arts college, educates women to be contributing members of a global society through a challenging curriculum and a dynamic campus experience. In our diverse and supportive environment, women develop their potential for personal and professional lives of intellectual engagement and thoughtful action as learners, leaders, and citizens."

Three very important ways the P.E.O. Sisterhood helps Cottey are student referrals, promotional activities and philanthropic contributions.

PROMOTION AND RECRUITMENT

The Enrollment Management Staff

The Office of Enrollment Management is a professional staff charged with an enormous responsibility – to recruit high quality students for Cottey who will have a successful college experience. The enrollment management staff works days and evenings phoning, writing and meeting prospective students and applicants; attending college fairs; establishing relationships with key high schools and reviewing applications. In addition, each representative has individual campus responsibilities.

The Admission Process

A student's admission is based on a complete evaluation of:

1. academic performance in high school (minimum 2.6 GPA),
2. ACT (minimum score of 21) or SAT scores (minimum score of 970 on the math and verbal portion of the test),
3. involvement in high school and community activities,
4. and, in some instances, a written personal statement and up to three letters of recommendation.

A student interested in applying to Cottey should:

1. Take the ACT or the SAT in either the spring semester of her junior year or fall semester of her senior year. She should request that an official copy of her scores be sent to Cottey. Students are encouraged to take the test multiple times, as Cottey will use the students' highest score up until December of their senior year for scholarship purposes.
2. Submit the application for admission along with a \$20 non-refundable application fee.
3. Ask her high school counselor to mail an official copy of her high school transcript (inclusive of at least six semesters of course work) with cumulative grade point average directly to Cottey's Office of Enrollment Management.

Once all of these items are received, the application file is complete. The enrollment management staff (and in certain cases, the admissions committee) then evaluate all of the components of the application file and make a decision about acceptance.

Directly after an acceptance decision is made, the student is notified of her status. Cottey has a "rolling" admission process. This means that a student may apply at any time of the year and be notified of her acceptance, usually within two weeks after completion of her application file, until the first day of classes.

If a student is accepted, she is asked to send an advance payment of \$100 to reserve her place in the student body and confirm her place in a suite. The advance payment is credited to the student's tuition account.

Accepted students who indicate on their application that they are interested in receiving financial assistance will be sent application information, and be asked to submit a Free Application for Federal Student Aid (FAFSA).

The state scholarship and Cottey chairman from the accepted student's home state will be notified promptly of acceptance for scholarship purposes.

How Can You Help?

P.E.O. is vital to Cottey's admissions effort. Cottey College is fortunate to have the power of nearly 235,000 members in a recruitment network that spans the continent. There is no other college in the United States that has an organization

of such magnitude as the P.E.O. Sisterhood willing to serve as contacts for potential students.

There are various tools available to help you understand how to promote and recruit for Cottey at <http://cottey.edu/peo>. Contact Cottey's Office of P.E.O. Relations if you are having difficulty locating information on the Cottey website.

P.E.O. members need to be informed so they can promote the College and be on the lookout for academically talented students who may benefit from the advantages offered by Cottey. The student online referral forms are designed specifically for this use. If you submit students' names, addresses, phone numbers, high schools they attend, and years of high school graduation, Cottey's admission staff will follow up on your behalf. If you know a student interested in attending college, submit her name and information to Cottey. The online referral form is located at www.cottey.edu, – click on P.E.O. at the top of the page and then click on "Refer a Student" – or navigate directly to <http://www.cottey.edu/referstudent>. If you are unable to access the form, you may call Cottey's Office of Enrollment Management at 417-667-8181.

Questions Students May Ask You About Cottey...

What degrees does Cottey offer?

Cottey offers a four year Bachelor of Arts degree with any of the following majors – Business, English, Environmental Studies, Expressive Art Therapy, Health Sciences, International Business, International Relations, Liberal Arts or Psychology. Graduates of our BA program are well prepared to enter the world of work and for advanced study in graduate or law school. Additionally, Cottey offers a two-year Associate degree option in Art, Science, Fine Arts – Art, Fine Arts – Dance, Fine Arts – Theater, or Arts – Music. These degree programs are carefully designed to facilitate transfer to a four-year college or university if the student wants to complete a major in an area other than one of the majors currently offered. The College continues to add additional programs; for a complete list of the most current accredited programs, please visit the Cottey website at www.cottey.edu.

Where is Nevada?

Nevada is a town of 8,300 people in Missouri, located 100 miles south of Kansas City, 60 miles north of Joplin, and 90 miles from Springfield, Missouri.

What are Cottey's admission requirements?

The Office of Enrollment Management evaluates students on an individual basis, taking into account high school curriculum, grade point average, ACT or SAT scores and extracurricular activities. The office wants to make sure that Cottey is right for the student and that the student is right for Cottey. Students who enjoy learning and being active in their schools are particularly sought after at Cottey.

How big are the classes?

The average class size is 13 students. The student:professor ratio is 10:1. Our small class sizes mean that students are active participants in their education. Students will know their professors and the professors will know them. Personal attention is Cottey's trademark.

What does "liberal arts" mean?

Generally speaking, it means a broad-based education emphasizing a wide range of subject areas in the humanities, social sciences, fine arts, mathematics and natural sciences. Students who receive a liberal arts education are better able to adapt to job and career changes that they inevitably face in their lives. A liberal arts education is training for life.

What are the "dorms" like?

Cottey students do not live in typical "dorm" rooms. Our residence halls are divided into apartment-style suites, which consist of double and single bedrooms connected to a living room area, kitchenette and large bathroom. An average of ten students from different states and countries live together in one suite.

What kind of student goes to a women's college?

Women college students are unique individuals who are independent, open-minded and willing to try new and challenging things. They want more than what typical coeducational institutions offer. Many students choose women's colleges because of the leadership opportunities. Cottey offers many opportunities for leadership development through seminars, campus activities and special

programs. Studies by the Women's College Coalition show that nearly half the graduates of women's colleges have earned advanced degrees and 81% have continued their education beyond college. Also interesting, graduates of women's colleges are more successful in careers; they tend to hold higher positions, are happier and earn more money.

What sports does Cottey offer?

Cottey competes in intercollegiate basketball, cross-country and track, softball and volleyball and is a member of the National Junior College Athletic Association (NJCAA) Division II. Cottey offers classes in different sports, such as bicycling, scuba diving, swimming, life guarding, hiking, archery and aerobics. Cottey also has an Activities and Wellness Program with health and fitness classes from Pilates to kickboxing.

What is the social life like at Cottey?

The activity level is set by each student. Many are involved in drama, music, leadership development, dance productions, clubs and student government. Every student is a member of one of the four traditional societies. Many social events are planned by student organizations, as well as the College, throughout the year. Coed colleges are located nearby in Joplin, Springfield, and Kansas City, Missouri and Pittsburg and Fort Scott, Kansas. Their students are invited to Cottey events, and Cottey students are invited to theirs.

What kinds of financial support are available?

Approximately 98 percent of our students receive some form of financial assistance. Cottey students may receive financial assistance from any or all of these sources:

1. Cottey institutional assistance (academic scholarships or need-based grants),
2. Federal need-based assistance,
3. P.E.O. state scholarships and grants. Criteria vary from state to state,
4. Other external scholarships such as Rotary, DAR, etc.

Can students visit Cottey's campus?

Please do! The Office of Enrollment Management wants students to come to the campus. Students should pick a time that is good for them and let the enrollment management staff know two weeks in advance, if possible. There are some times when visiting isn't ideal (during mid-terms and final exams, holidays, etc.), so advance notice will help prospective students avoid any conflicts. Cottey offers designated weekends for prospective student visits. "C" for Yourself! weekends are held in the fall and spring and are opportunities for students to visit in a group, meet professors and current students, and spend the night in a suite. Show Me Cottey overnight visits are scheduled weekly. Students stay overnight in a suite, meet current students, attend a class, and meet with professors. General campus tours are offered daily and are personally tailored to meet the needs of the student. For more information on visiting campus, contact the Office of Enrollment Management.

Can P.E.O.s visit Cottey's campus?

Cottey offers tours to P.E.O. members and chapters Monday – Friday between the hours of 10 a.m. and 2 p.m. (excluding holidays and select campus events). All tours should be scheduled at least two weeks in advance by contacting Cottey's Office of P.E.O. Relations or by visiting the website at www.cottey.edu/peo/campus-tours. When available, P.E.O. members may eat in the dining room and hold chapter meetings on campus. Visitors during the summer months may schedule a walking tour, but the dining room is closed mid-May through August.

Does Cottey have a website?

Students are strongly encouraged to visit Cottey's website: www.cottey.edu. Students may apply online, or download a printable version of Cottey's application for admission. Email links to different offices on campus make it easy for students to contact the College and get answers to specific questions.

Encourage and Help Prospective Students Considering Cottey to Visit the Campus

A campus visit is the best way for a student considering Cottey to understand what Cottey will be like for her. While on campus, she may stay in a suite, eat in the dining room, visit classes, speak with professors, tour the campus and visit with admission and financial aid staff. The Office of Enrollment Management would like one to two weeks' notice to arrange a visit for the student.

When is the Best Time to Bring a Group of Students (Bus or Plane Trip) to the Campus?

Cottey loves to see state P.E.O. organizations bring busloads of students to the campus. The best months for a visit are October, November, March, and April. These are the times of year that high school students are especially searching for colleges. Mid-term and final exam weeks, for example, are not good times for prospective students to visit Cottey. Cottey students are our best ambassadors for the College; therefore, we want them to have the time available to visit with and host prospective students. If you want to check the schedules at Cottey, phone or write the Office of Enrollment Management, and they will help you arrange your trip.

PHILANTHROPIC CONTRIBUTIONS

P.E.O.s can help support Cottey through scholarship gifts made individually as well as by local, state, district, and provincial chapters, P.E.O. groups and reciprocities. Gifts from local chapters may be remitted to the state/district/provincial treasurers for forwarding to Cottey, or sent directly to Cottey College. Gifts from individuals should be made payable to Cottey College and sent directly to the College. (Address is listed at the end of this article.)

There are two types of scholarship gifts: unrestricted and restricted.

Unrestricted scholarship gifts have no performance, merit, or geographic restrictions, nor are they given for a specific student. These gifts typically go into the General Endowed Scholarship Fund. The principal of this fund is held in perpetuity and the earnings provide numerous scholarships for students attending Cottey College. There is also the Annual Scholarship Fund. Gifts to this fund are expended annually for institutional aid awards.

Restricted scholarship gifts have performance, merit, or geographic restrictions. Restricted scholarship gifts received prior to December 31 are awarded to qualified students for the following fall semester.

Unrestricted and restricted scholarship gifts are deductible for federal, state and gift tax purposes. Gifts from an individual may be eligible for matching funds through the donor's employer if the check is made payable to Cottey College and the donor initiates the matching application required by the company.

All unrestricted and restricted scholarship gifts should be made payable to Cottey College and sent to the Office of Institutional Advancement.

You can make a designated gift to Cottey through your trust or will. You can also make a charitable gift now, and receive lifelong income. When you are gone, Cottey receives the principal gift and uses it as you have directed. Income can be for life or a term of years to named beneficiaries.

CONTACT INFORMATION

To send mail to the Office of Enrollment Management, the Office of Institutional Advancement, the Office of Financial Aid, or the Office of P.E.O. Relations, please indicate the appropriate office along with the College's general mail address:

Cottey College, 1000 W. Austin, Nevada, MO 64772.

Email may be directed to:

enrollmgt@cottey.edu for prospective students

financialaid@cottey.edu for financial aid questions

advancement@cottey.edu for gift opportunities

peorelations@cottey.edu for P.E.O. tours and recruitment materials

You may also phone 417-667-8181 and ask for the appropriate office.
